Great summer at KOBE YMCA!

Summer Intensive Course 2018

CHIU YUWEN (Taiwan)

I made friends from various countries and really enjoyed it. We had field trips to famous spots after class. My favorite place was Kyoto. I almost gave up on wearing Yukata from the lack of time and opportunity, but I am so happy to have worn it in Kyoto. Although, it was so hot!! It was a great summer to have experienced many things through Kobe YMCA Summer Intensive Course.

Summer Intensive Course 2018

ZENG YILAN (China)

It was very hard to study Japanese because I was not able to read or write even hiragana in the beginning. However, my Japanese skills improved fast thanks to teacher's comprehensive approach to teaching. I made many friends from different countries during this summer class. The teachers were kind and responsible. Their sincere teaching made my Japanese study enjoyable.
