('Refer-a-friend program' is NOT available for those who join the online class.)

Messages from Alumni

C.LM (China)

I took JLPT N2 before I came to Japan. But when I came to Japan, I realized that I couldn't speak in Japanese at all. After I study in Japanese school, my Japanese speaking skill improves but still needs a lot of practices. I strongly suggest those who want to study in Japan to emphasize on practicing Japanese conversation skills before they actually go to Japan!

How was the teaching material (PowerPoint)?
